

Application for a Master Thesis

In order to apply for the course “Master-Thesis with Research Seminar” or “Abschlussseminar mit Masterarbeit” at one of the four below-mentioned chairs, it is **mandatory** to fill in this form. Please hand in the form together with a current **transcript of records**. You can send your documents via email to mansci@ovgu.de. Students who wish to write their master thesis in collaboration with a company or based on an own topic idea are asked to add a short (one A4 page) project description together with a research question to their application. If the number of applications exceeds the capacities, places will be allocated based on the previous course of studies.

Application for (multiple selections possible):

- Chair of Management Science
- Chair of Operations Management
- Chair of Data-Driven Decision Support
